THE ON-CAMPUS INTERVIEWING (OCI) PROCESS

INTRODUCTION – WHAT IS ON-CAMPUS INTERVIEWING (OCI)

In the Fall and Spring Semesters, employers interview San Francisco State University students and recent alums for permanent full-time positions and internships. Participants submit their resumes online to OCI employers, and, if selected, can sign up for an on-campus interview. Most interviews are 30-60 minutes and held at the Career Center. To submit resumes for interview selection, you must register on GatorJOBS and use the online OCI management system.

WHO IS ELIGIBLE TO PARTICIPATE?

SF State undergraduate and graduate students, and SF State alums who have graduated within the last six months are eligible to participate in OCI. Most OCI opportunities are for juniors and seniors.
