STUDENT INVOLVEMENT AND CAREER CENTER SERVICES ELIGIBILITY

Recent SF State Graduates/Alumni have a six month grace period following graduation to use all the Student Involvement and Career Center services, including counseling and On-Campus Interviewing. After the six month grace period, alumni must obtain Student Involvement and Career Center Membership or an Alumni Association membership to continue utilizing basic services.

Members of the SF State Alumni Association automatically receive Student Involvement and Career Center Membership. All SF State alumni can join the SF State Alumni Association. In addition to Student Involvement and Career Center services, there are many other benefits. Please contact the SF State Alumni Association for additional information.

Students from other CSUs – Currently enrolled students of other California State Universities (CSU) may obtain SF State Student Involvement and Career Center Membership upon presenting a valid photo ID and a letter of reciprocity from a CSU career center.

Alumni from other CSUs – Due to budget restrictions, alumni from other CSU campuses are not eligible for any of the above mentioned career services.

All Others Persons – Student Involvement and Career Center services are not available to non-CSU students/alumni.
